

Diagnostic Centre

Norfolk & Norwich University Hospital, Hethersett Lane, NR4 7UQ
Site Visit on Tuesday 26th March 2024 at 5.00 pm

Norfolk and Norwich University Hospitals 
NHS Foundation Trust

You are invited to a site tour hosted by Oliver Edwards (Rossi Long Consulting), Danny Branson (Morgan Sindall) and Sue Sewell (Norfolk & Norwich university Hospital NHS Foundation Trust)

The visit is to one of three Diagnostic Centres being built across Norfolk, commencing on site last summer and due for completion later this year. The facility will increase capacity for diagnostic imaging which will improve local health outcomes with earlier diagnoses for a range of conditions, including cancer. It is a single storey, steel frame building providing modern diagnostic facilities including staff change and rest facilities, offices, reporting rooms, reception and waiting areas as well as a visitors' café. The Centre will incorporate 5 MRI's, 4CT Scanners, 2 X-Ray's and 2 Ultrasound rooms.

The project is set to achieve BREEAM Excellent and with the use of all electric services, relying on the decarbonation of the electrical grid, the aim is to obtain Net Zero.

Please note the requirement for all visitors to bring their own 5 point PPE if available (Hard hat, steel toe cap boots, light eye protection, gloves and hi vis). (PPE can be provided if necessary but minimum 1 week's advance notice is required)

Please see the second page of this flyer for information on how to find the site and where to park

This event is available to members, free of charge, but please book your place by emailing Julie Howes at secretary@nfc.co.uk.

Places are limited and will be allocated on a first come first served basis.

Directions

Heading to Norwich

From A47, Southern Bypass turn off as if you are heading toward the Norfolk Norwich Hospital/ University of East Anglia. Head down B1108 Watton Road for approximately 1.5 miles from the roundabouts. Then turn right at next set of traffic lights heading down Hethersett Lane for about 0.1 of a mile. Morgan Sindall signage will be available at these lights

Heading from Norwich

Head down Earham Road for 0.8 miles heading straight over the traffic lights heading towards the Hospital. At the next set of lights get into the middle lane and head straight over once again. Once over get into the left hand lane to turn onto Hethersett lane for about 0.1 miles. Morgan Sindall signage will be available at these lights The Site entrance is on the left hand side and head through the timber fenced Hoarding
