

## The Green and Expanding Octoverse!

Presentation on Thursday 25<sup>th</sup> April 2024 at 12.30 pm  
In the Auditorium at The Forum, Norwich

Octopus Energy, is the UK's most awarded energy supplier and innovator behind the first-of-its-kind Zero-Bills energy tariff providing zero bills for at least five years, guaranteed.

You are invited to join us for a presentation by Emma Fletcher, Low Carbon Homes Director at Octopus Energy to explain the green and expanding Octoverse.

Emma is the Low Carbon Housing Director at Octopus Energy. Her career has centred on leading high impact, high innovation projects in real estate, with a particular focus on housing, energy performance and green energy production. Her practical experience includes starting her career in rural surveying and estate management moving into award-winning housing and regeneration developments.

Emma is a passionate advocate for change, community resilience and sustainability solutions for all. She established and led the UK's first fossil fuel-free district heating scheme in her village, Swaffham Prior. Her work regularly features in trade, national and international press & media.

This event is available to members, free of charge, but please book your place by emailing Julie Howes at [secretary@nfc.co.uk](mailto:secretary@nfc.co.uk).

Places are limited and will be allocated on a first come first served basis.
